Do You

Speak Our Language?

**Foreign Language Instructors.** One of the most important contributions you can make to meeting the mission of the CIA is enabling others to understand world cultures. Your native-level fluency and expert knowledge of a foreign region's history, customs, politics and economy will strengthen your students' ability to communicate with others and work in locations around the world. In return, you'll earn a competitive salary and receive a hiring bonus — while supporting the efforts of American foreign policy.

Applicants must successfully complete a thorough medical and psychological exam, a polygraph interview and an extensive background investigation. As part of the screening process, selected applicants must take proficiency tests in their native language. US citizenship is required. *An equal opportunity employer and a drug-free work force.*
